nchrp report 662 describes how selected transportation agencies have reduced the time required to complete the project delivery process this process takes new or renewed transportation facilities and services from conception to completion ready for users project delivery is a primary indicator of an agency s effectiveness individual highway and other transportation projects are developed under programs intended to implement agency and legislative initiatives and other public policy the way programs are organized and managed can determine the speed and efficiency of project development accelerating program

functions can speed up project delivery this report describes the experiences of eight state departments of transportation dots that made improvements in their project delivery and the lessons to be learned from their experiences the information will be useful to dot managers seeking to ensure that their agencies organization policies and program operations facilitate project delivery

the activities carried out in a business organization stem from the contribution of subjects who cooperate in the expectation of obtaining adequate rewards the ability of organisations to reach a specific level of performance is influenced by the ownership structure while the management is directed and controlled through a set of rules and incentives this set regulates the distribution of rights and responsibilities among the board company management and stakeholders and it defines the corporate governance model adopted by the organization the collapse of global organisations across the world have undoubtedly revealed the inherent flaws in the contemporary corporate governance practices as a result of these international scandals a great deal of multidisciplinary research has been growing restlessly to define the specificities of each corporate governance model however lacking a specific investigation into the presumed existence of the most suitable one by favouring the synthesis and the inductive procedure this book analyses the potential existence of the most appropriate corporate governance model based on comparative international analysis of cultural social and economic factors influencing the organization s choice regarding the corporate governance model to be adopted this volume will be of interest to researchers academics professionals and students in the fields of corporate governance international business and law

through a practical introduction to the policies of the american welfare state a wide ranging subject much discussed but seldom described this concise volume details the four main areas of social welfare policy housing assistance nutrition assistance income assistance and medical assistance in plain approachable language author brian j glenn explains for example how section 8 housing vouchers function what the supplemental nutrition assistance program is how medicare has developed and what temporary aid for needy families does especially in the era of covid 19 and a recession there is a need for citizens and students to understand the american social safety net the american welfare state is written in a manner that allows a complete novice to understand these programs in a brisk and comprehensive fashion that is both short enough to read over a couple of nights in a course and yet detailed enough for the programs to be understood at quite a nuanced level in this thoroughly updated second edition author brian j glenn outlines the ways in which social welfare programs differ sometimes dramatically from locality to locality to help students understand how these policies function glenn looks at the support households receive in five cities boston houston kansas city los angeles and new orleans this approach provides not only a geographic spread but also an examination of the variability of support giving the reader a feel for the range of funding levels and also the variety of ways programs can be implemented in short this book is a

fully updated and handy teaching and learning tool that fills a huge gap in the literature on a subject that many want to teach but often lack the resources to do

shortlisted for the baillie gifford prize for non fiction shortlisted for the orwell prize for political writing this is what journalism is for observer time to think goes behind the headlines to reveal the truth about the collapse of the world s largest gender service for children are we hurting children that s the core question at the heart of time to think which exposes the truth about the rise and fall of the united kingdom s flagship gender identity clinic for children answering in the affirmative it exposes how ideology triumphed over evidence within this part of the healthcare system in the process child safeguarding was overlooked and pediatric patients were medically harmed as investigative journalist hannah barnes reveals the tavistock s gender identity development service gids was set up initially to provide talking therapies to young people who were questioning their gender identity but in a little over a decade it referred around two thousand children some as young as nine years old for medication to block their puberty in the same period with ever greater numbers of children in need of treatment the profile of the patients changed from largely pre pubescent boys to mostly adolescent girls who were often contending with other medical and psychological difficulties gids was shut down by english health authorities in march 2024 and new services will not be able to prescribe these profound medical interventions yet gids s approach to treating children with gender identity distress was in fact more cautious than that observed in other countries including notably in the united states this urgent scrupulous and dramatic book explains how gids was the site of a serious medical scandal as this scandal continues to unfold and even accelerate within other institutions and across countries it is a gripping parable and disturbing cautionary tale for our times

this insightful book provides a comprehensive survey of urban development in hong kong since 1841 pui yin ho explores the ways in which the social economic and political environments of different eras have influenced the city s development from colonial governance wartime experiences high density development and adjustments before and after 1997 through contemporary challenges this book explores forward looking ideas that urban planning can offer to lead the city in the future evaluating the relationship between town planning and social change this book looks at how a local hong kong identity emerged in the face of conflict and compromise between chinese and european cultures in doing so it brings a fresh perspective to urban research providing historical context and direction for the future development of the city hong kong s urban development experience offers not only a model for other chinese cities but also a better understanding of asian cities more broadly urban studies scholars will find this an exemplary case study of a developing urban landscape town planners and architects will also benefit from reading this comprehensive book as it shows how hong kong can be taken to the next stage of urban development and modernisation

shelving category internet programming the phenomenal growth of the world wide has brought with it the need for people to program increasingly sophisticated websites in order to display information in an intuitive and efficient way effective website development examines the entire development project lifecycle and covers a range of development tools and techniques including xml xhtml and dreamweaver the author takes a step by step approach leading from one concept to the next and provides the reader with the expertise to design build and maintain dynamic websites this book is ideal for undergraduates taking courses in design or internet computing and as it assumes no prior programming knowledge is also the perfect introduction for anyone with an interest in this exciting subject area features split into four parts to reflect the various stages of a website s development easily accessible jargon free language loaded with examples to reinforce your understanding of the concepts uses complete programs rather than fragments so that you can run and test the whole program directly exercises throughout and at the end of chapters to help you practice the concepts and gain a genuine understanding keith darlington is a senior lecturer at london south bank university there is an accompanying website for this book containing resources for both students and lecturers at booksites.net/darlington

understand vital business factors that are central to modern land development projectsas real estate development evolves to accommodate increasingly more complex regulation and sophisticated built structures so too must the roles of different members of the development team evolve the entire development team including architects and civil engineers must participate actively in consulting throughout the entire lifecycle of modern development projects this expanded role often means that contemporary design team members may find themselves involved in contentious cross disciplinary decisions that their predecessors did not have to address this comprehensive textbook explores the entire development process from an applied perspective to provide architects civil engineers and other team members with an understanding of the context in which real estate development occurs presented by an industry leading design firm the book offers complete explanations of all business considerations that influence land development projects at every stage development of the built environment from site acquisition to project completion provides a holistic view of the development process and enables the development team to more effectively complete projects of all sizes and budgets this text includes detailed coverage of developers and the development process public and private project types recognizing opportunity selecting and controlling the site planning and creating the built environment key considerations for designing the project preliminary financial analysis and planning plan approval permit issuance construction and completion
